Outstanding! Is the word that describes this year's Lodge #75 November Bazaar.

Our first event since the **pandemic** started. We had to pivot a bit from last year, due to Covid19. We did not serve a lunch this year, instead we sold two types of soup in to-go containers and the result was fantastic. People were happy to have the event back and encouraged us to do more in the coming years. Our community is extremely supportive of our Historic Danish Hall.

The **hall was filled to brim** with homemade baked goodies, handcrafted items, vintage treasures, raffle prizes and we even had room for three vendors.

Foot traffic was excellent.

Thank you to our event coordinator **Sandy Terou** and her elves:
